(SECONDARY)**

TO: All Students in the College of Education

FROM: Dr. Enedina Vazquez, Associate Dean and
The Office of Teacher Candidate Preparation (OTCP)

SUBJECT: **UNDERGRADUATE** Competitive Admission to the Teacher Education Program

We value your interest in the Teacher Education Program (TEP) at NMSU and ask that you carefully read the attached TEP admission information. It is required that you submit a professional portfolio as your application to the Teacher Education Program.

Education is a rewarding and challenging profession, and the faculty and staff of the college are eager to help you meet your goals. However, the minimum cumulative GPA and basic skills test scores are necessary standards to be considered for admission to the TEP and do not ensure admission to the TEP. Therefore, the applicant is encouraged to achieve the highest possible cumulative GPA and develop a strong student portfolio as outlined in this packet.

UNDERGRADUATE

Please read these information sheets carefully. It is critical that you follow the TEP portfolio instructions described on the following pages. Failure to follow this format will result in the COE not accepting your portfolio. Fully complete your portfolio and return it to the College of Education Advising Center located at O'Donnell Hall Room 101 by the appropriate deadline.

All students who wish to complete a teaching degree must be admitted to the Teacher Education Program (TEP) at New Mexico State University. **Undergraduate students cannot continue in designated Teacher Education Program courses numbered 300 or above until they have been admitted to the TEP.** These 300-level courses include courses labeled EDUC, RDG, BIL, ECED, PE P 313 and PE P 315. The only exceptions are EDUC 315 and SPED 350 which are prerequisites to the program (These two courses are not prerequisites for SPED majors only).

Applicants should be aware that admission to the Teacher Education Program is **competitive.** Minimum GPA, NES Basic Essential Academic Skills test score, and documented dispositional growth and development are necessary to be considered for admission by the Teacher Education Program Committee but do not ensure admission to the TEP. The applicant must also achieve the highest GPA possible and submit professional portfolio. **A student who, in the professional judgment of the committee, does not present a professional portfolio will be denied admission.**

A professional portfolio meets all the requirements set forth in the ***OUTLINE FOR PORTFOLIO APPLICATION*** (SEE page 4 for outline). The portfolio should be professionally bound and **NOT** submitted in a 3 ring binder. If your portfolio is not professionally bound it will **not be accepted** (See College of Education Advising Center for examples). Please do not spend an excess of money and/or time on presentation beyond clearly printed responses and professional binding. Artwork, quotes, and color printing are **not necessary.** The content of your portfolio is more important to the determination of professionalism than the presentation.

Minimum criteria in order to submit a TEP portfolio:

1. Establish a cumulative GPA of 2.5 or higher at NMSU.
2. The student must earn a "C" or better in the following TEP prerequisites – or be enrolled in the final TEP prerequisites at the time of portfolio submission.

4. Complete at least **55** credit hours of undergraduate work.
5. Register <http://www.nestest.com/Home.aspx> for the National Evaluation Series for (Basic) Essential Academic Skills during the first semester of enrollment at New Mexico State University. A minimum score of **220** is required. Please include a copy of your **OFFICIAL NES (Basic) Essential Academic Skills** test scores (e-mail confirmation will **NOT** be accepted) in the portfolio and retain the original for your personal records. **The college of Education Advising Center does not provide test score results for students.**

The TEP Admission procedure is as follows:

1. **Reminder:** Make copies of the whole portfolio (except confidential recommendations) for your personal files. ► **No copies will be made of any part of the portfolio once it is submitted.** ◀
2. Given that you have met the criteria above, submit your completed and professionally bound portfolio to the College of Education Advising Center located in O'Donnell Hall Room 101 **no later than 12:00 noon (MST) on the 3rd Friday of each Spring and Fall Semesters.** Confirm exact date by contacting the College of Education Advising Center at the beginning of each semester (646- 3404).
3. Plan to spend 15 to 30 minutes in the College of Education Advising Center while a staff member checks in your portfolio.

TEP portfolio review process:

4. The TEP Admission committee will review portfolios twice a year, in the beginning of the Fall and Spring semesters. The departmental faculty involved in this process will select candidates for admission to the TEP based on the material submitted. **The departmental TEP Committee notifications will be sent by mail. Students who were not admitted may reapply for the next review.**

APPLICATION PROCESS FOR ADMISSION TO TEACHER EDUCATION PROGRAM

OUTLINE FOR PORTFOLIO APPLICATION

The College of Education (COE) has instituted a TEP admission process that continues to ensure quality students and prepared teachers. Each student must submit a TEP portfolio that will be reviewed by the College of Education TEP Admission Committee. The following list outlines the material that should be included in the TEP portfolio, preferably not to exceed thirty- five (35) pages. The applicant must structure the portfolio in the order listed below.

1. Table of contents
2. Application Page (included in this packet)
3. Resume
4. Copy of original **undergraduate** academic transcripts from NMSU **and each previous institution attended showing courses, original grades, and GPA**. Unofficial transcripts from registrar's office only. Do **NOT** print screens from my.nmsu website.
5. **Xerox** copy of OFFICIAL NES Essential Academic Skills that is mailed to you. Please include **ALL** Score Reports and Diagnostic Score Report. Passing score is **(220)** or above.
6. Copies of completed Teacher Candidate Dispositions with appropriate faculty signatures from the required licensure program TEP prerequisite courses:

Early Childhood ED	Elementary ED	Secondary ED	Special ED
EDUC 315	EDUC 315	EDUC 315	Not required for TEP admission

7. Letter of Philosophy/Intent (Why you want to become a teacher).
8. **Three** confidential recommendations from NMSU faculty whom you have completed a course with: **two** from COEd (EDUC, EDLT, ELA, CE P, SPED, PE P) faculty are required and **one** from a faculty member at NMSU outside the College of Education. Submitted recommendations must have original signatures. **DO NOT** have recommendations sent directly to the College of Education Advising Center. They will be returned to the sender or student and this will only delay the portfolio process. These forms are included in this packet. A suggestion is that one COE recommendation comes from a field experience professor. P.E. majors should provide at least two recommendations from a HPDR (Human Performance Dance & Recreation Department) FACULTY ONLY: Drs. Aranda or Oliver.
9. At least one recommendation from an employer, school or organization. Forms are included in this packet.
10. Description of Evidence of Experience with, and Commitment to working with Persons with Disabilities, and how this relates to being a classroom teacher. Students should include the following information in the statement: Feelings about working with students with disabilities in one's classroom, personal experiences with persons who are disabled including friends and family, volunteer work, course work in Special Education., employment with persons with disabilities and how this will influence your teaching.
11. Description of Evidence of Experience with, and Commitment to other forms of Cultural Diversity and how this relates to being a classroom teacher. When outlining multicultural experiences, students should include the following information in the statement: experiences with languages other than English, travel, volunteer or work experiences with other cultures, courses related to other cultures, study of other languages. These should be written in detail, using specific examples that describe how they relate to classroom instruction. Please include in the statement attitudes and perceptions about working with diverse cultures and how this will influence you as a teacher.
12. Description of Campus Activities – We recommend addressing this topic even if you do not have any.
13. Description of Volunteer Activities - We recommend addressing this topic even if you do not have any.

IMPORTANT: It is the student's responsibility to collect and submit **all** TEP portfolio materials at one time, including the recommendations. **Do not** submit materials separately to the College of Education Advising Center. They will be returned to the sender or student and this will only delay the portfolio process. Portfolios must be complete. **None will be accepted if anything is missing at the time of submission.**

College of Education – New Mexico State University
STUDENT TEACHING REQUIREMENTS

1. The student must complete all of the required education and teaching field courses from the appropriate degree plan with grades of “C” or better and must complete **all** of their teaching field courses. Graduate students must complete all education courses with a “B” or better.
2. The student must be admitted to the TEP.
3. Undergraduate students must maintain a cumulative GPA of 2.5 or better. Graduate students must have a cumulative GPA of 3.0 or better.
4. **NO ADDITIONAL COURSES ARE ALLOWED TO BE TAKEN WITH STUDENT TEACHING.**
5. The student must establish senior status.
6. ALL **FALL** STUDENT TEACHING APPLICATIONS ARE DUE IN THE UNDERGRADUATE ADVISEMENT CENTER O’DONNELL HALL ROOM 101 BY **OCTOBER 9** ONE YEAR PRIOR TO STUDENT TEACHING.
ALL **SPRING** STUDENT TEACHING APPLICATIONS ARE DUE BY **MARCH 9** ONE YEAR PRIOR TO STUDENT TEACHING.
7. Student Teaching must be done within the State of New Mexico and within an 80-mile radius of New Mexico State University main campus. Exceptions require approval in advance by the Student Teaching Coordinator, Department Head and Associate Dean. There will be an additional fee for a distant placement.

After you have submitted your student teaching application, you should immediately make an appointment with your advisor to review the remaining requirements needed to student teach – request a “degree check”. **Assuming you are admitted to the TEP and enrolled in the appropriate courses outlined in your degree check**, you will plan to student teach during the semester you requested. The degree check is signed by you and your advisor, thereby agreeing to the course work yet to be completed within the 6-year catalog limit.

It is your responsibility to notify your advisor in writing of any change. Please fill out a new student teaching application to document a change in name, address or student teaching request. A current correct address is essential to notify you of meetings and other crucial information. Applying for student teaching is your responsibility as a student and a teacher. The College of Education and your assigned teacher are counting on you to act responsibly and professionally.

Elementary, secondary, special education and early childhood **placements are done one semester in advance**, usually completed by May for Fall semester and by December for Spring semester. However, no student will be given a student teaching placement without a review and an approval by their respective department.

Most districts require completion of a substitute teaching application. **You are expected to follow the school district’s calendar year, which usually requires reporting to your school before the University’s regular semester begins.**

Now New Mexico schools are requiring that background checks be initiated prior to the student teaching semester. The Las Cruces Public Schools is now requiring that every student teacher requesting placement in the Las Cruces Public Schools complete an application packet for substitute teaching at the Human Resources Office, prior to the student teaching semester.

- Ø Packet includes fingerprinting form – now required of ALL applicants to the Las Cruces school district.
- Ø Fingerprinting should be done within one (1) year of certification to be current.
- o **You must take and pass the New Mexico Teacher’s Content exam for the specific license level you are pursuing before you can be cleared to student teach.** Registration for this exam should be initiated no later than one (1) semester prior to the student teaching semester. **Please retain the ORIGINAL copy of your NES scores. The College does not receive copies of your score results. (Business and Early Childhood majors are exempt from the exam, for now, but exam for these majors will be required in the future).** The NES is required to become a certified teacher in the state of New Mexico.
- Ø Fingerprinting should be started at least one (1) semester before the student teaching semester.

NOTE: STUDENT TEACHERS WILL NOT BE ALLOWED TO BEGIN THEIR WORK IN THE CLASSROOM UNTIL THE PACKET IS COMPLETE.

The State Department of Education will require successful completion of all applicable parts of the New Mexico Teacher Assessments. You may contact the Advisement Center or the Professional Licensure Unit, New Mexico State Department of Education if you have questions on this requirement.

When the degree is attained, the student applies for licensure to the New Mexico Department of Education in Santa Fe, NM:
