

Become a **Student** Member of **ASPRS**

Why?

- ❖ The American Society for Photogrammetry and Remote Sensing (ASPRS: www.asprs.org/) is one of the world's largest societies for students (and faculty and industry leaders) with interests in GIS, Remote Sensing, and Photogrammetry.
- ❖ Monthly issue of the **journal** Photogrammetric Engineering & Remote Sensing (PE&RS).
- ❖ Substantial discounts on all ASPRS **publications**.
- ❖ Receipt of ASPRS **newsletters**.
- ❖ Access to geospatial **job openings** and **job fairs**.
- ❖ Discounts on registration fees for ASPRS **meetings, conferences, workshops, technical tours, and social events**.
- ❖ Eligibility for over \$30,000 in national and regional **awards, scholarships, fellowships**.
- ❖ Discounted **professional certification** fees in all certification categories.
- ❖ Opportunities for **mentoring and professional development**.
- ❖ Local, regional, national, and international **networking opportunities**.
- ❖ Add a line to your resume ☺
- ❖ More: <http://asprs.org/students/student-membership.html>

GIS

Remote Sensing
Photogrammetry

What does it take?

- ❖ An **INTEREST** in geographic information science and technology
- ❖ A net payment of \$5

When and how can I become a member?

- ❖ Join us for one of our meetings our meetings (<http://geography.nmsu.edu/student-organizations/nmsu-student-chapter-of-asprs/>) and we'll tell you all about it!

Questions?

- ❖ Contact Dr. Michaela Buenemann (elabuen@nmsu.edu).
