Overview

Academic Libraries Overview

Welcome to the IPEDS Academic Libraries (AL) survey component. The purpose of the AL component of IPEDS is to collect information on library collections, library expenditures, and library services for libraries in degree-granting postsecondary institutions.

Recent changes

The Academic Libraries survey component is new to IPEDS for the 2014-15 collection cycle. The Academic Libraries component for IPEDS replaced the previous Academic Libraries Survey, which was collected from degree-granting postsecondary institutions every other year in odd-numbered years. The new Academic Libraries component is mandatory and will be collected annually in the spring starting with the 2014-15 data collection cycle. Visit the [Academic Libraries Resource](#) page for more information on reporting changes.

Data Reporting Reminders

Report all data for fiscal year (FY) 2014. Fiscal year 2014 is defined as the most recent 12-month period that ends before October 1, 2014, that corresponds to the institution's fiscal year.

Coverage:

A screening question in the Institutional Characteristics (IC) Header component determines the institutional level of reporting for degree-granting institutions on the Academic Libraries component. If the total library expenditures = 0, the institution will not submit the Academic Libraries component. If annual total library expenditures are > 0, the institution will submit Section I of the Academic Libraries component. Institutions with total library expenditures >\$100,000 will report additional expenditures and interlibrary services information in Section II of the Academic Libraries component.

Screen: Expenses				
Screen Entry	Your response to whether staff fringe benefits are paid out of the library budget is expected to be the same as your response in the prior year Academic Libraries survey. Please correct your data or explain. (Error #15014)	Explanation	Yes	
Reason:	It was erroneously reported last year that fringes were not paid out of the Library Budget. They are paid from the Library Budget according to the NMSU Budget Office.			
Screen Entry	The calculated value (312,031) is outside the expected range of between 193,108 and 289,660 compared to the prior year value. Please correct your data or explain. (Error #15027)	Explanation	Yes	
Reason:	Fringe benefits are paid from the Library Budget. Correcting this information for this year (it was wrong last year) has caused the total budget to increase, while the budget without fringe benefits has remained within range.
