In order for the university to adhere to rules of the New Mexico Higher Education Department (HED) and meet State statutes, it is necessary for us to insure that our budgetary levels of expenditures equal or exceed the anticipated expenditures for the fiscal year. The attached BARs are for each NMSU campus unrestricted fund, and are for the purpose of adjusting the beginning fund balances which were estimated for the 2015-2016 Operating Budget submitted in May of last fiscal year, to equal the actual ending fund balances resulting from closing the books for FY2015 and to adjust revenue, expenditures and/or transfers, as applicable, for various programs for which information has changed or was unavailable at the time of the original budget preparation as detailed on the attached forms.

4. Approval to transfer current Uncollectible Accounts Receivable to Reserves for Inactive Accounts for fiscal year 2015-2016. (Moved to Action Items)

State law precludes the University from writing off uncollectible accounts. Accordingly, we request the accounts listed on the attached schedule be transferred to the Reserve for Inactive Accounts.
