

## NMSU RN to BSN Degree Plan – Fall 2018 Admission Cohort

### Graduation Requirements

- NMSU requires a minimum of 120 credits from the ADN + RN-BSN programs to graduate with a Bachelor’s degree.
- NMSU requires a minimum of 48 credits in Upper Division (300 level or greater) courses. Applicants may apply upper division equivalents of pre-requisite courses towards this degree requirement. RN-BSN students may be required to take upper division electives or graduate courses in order to meet this requirement.
- NMSU requires a total of 6 credits of Viewing a Wider World courses to graduate with a Bachelor’s degree.
